*Please note, due to the amount of work we receive we are not able to display all work on the outer gallery walls at all times. Therefore, your piece(s) will be on display on the gallery pull-out walls during some of this time. We do our best to have at least one piece from each artist on the outer gallery at all times, however this may not always be possible. Work is rotated between the pull-out walls and outer walls during the four months, and each artist will have all pieces displayed on the outer gallery walls by the end of the four months.
