

NEW Art Classes for CHILDREN and TEENS

★ **NEW! Start with Art-Making Art Together** with Amy Godard-Neveckas **For ages 3 - 6**

Tuesdays, February 7 & March 6, 10:30-11:30AM \$10 per day—introductory price!

This is an interactive art class for parent and young child. As a team, the parent/guardian and child will make art together, learning about color, shapes, and lines helping to develop your child's imagination while strengthening fine-motor skills and hand-eye coordination. Be prepared to get a little messy, paint, sculpt, print, draw, make crafts and to learn songs and finger plays to enhance each project.

★ **Cartooning and Maquettes for Beginners** with Ted Helard **For ages 6 - 12**

Saturdays, 2/4, 11, 18, 25: 10-11:30AM \$51 members/ \$60 non-members

Learn to construct creative and unique comics with the basic concepts of cartooning through the manipulation of three basic 3D shapes: the sphere, the cube, and the cylinder. Participants will learn to transform these shapes into simple cartoon figures and characters, ready to be brought to life by young artists' stories, expression, and creativity!

★ **Earth Paints and Nature-Inspired Art** with Leah Mebane **For ages 8 - 13**

Saturday, 3/17, 10AM - 12PM \$42 members/ \$50 non-members- includes Earth

Paint Kit to take home (retail value \$29.99). "Go green" in the art studio for St. Patty's Day and for the Earth- and learn how to make earth paints from natural pigments and colored clay. Create your own brushes from plant stalks and use your new artist tools to create unique and natural art projects including eco-stationary with leaf and vegetable prints, glue batik designs with earth paints, and painting smooth river stones for your garden or home.

★ **Teen Drop In & Draw Open Studio** with Brooke Nuckles Gentekos **For ages 12 - 17**

Thursday & Friday, January 12 & 13, 12 - 3PM \$15 per day- introductory price!

Teens "take over" the Art Studio to Drop-In and Draw, Paint, Sculpt, Craft, Print, and express themselves during this open studio for middle school and high school students, corresponding with Medford School District's release days. Students in grades 7 - 12 will create DIY, collaborative, and "outside of the box" art projects inspired by contemporary artists.

★ **Altered Photographic Images** with Mary Wilkins-Kelly **For ages 13 - 17**

Saturdays, April 14 & 21, 12 - 4PM \$63 members/ \$75 non-members

Come explore the world of photography as an expressive art form! Learn how to take more creative photographs with your digital camera and work with a variety of art materials to alter and embellish your photographs. Experiment and express yourself by hand coloring photographs, photo collage, heat transfer photos onto fabric and applying images to non-paper surfaces. Teen participants will need to have a working digital camera and fully charged batteries.
