DIRECTOR'S NOTE

Many excited and enthusiastic children visit the Rogue Gallery on school field trips. Recently I overheard some visiting children chatter about why they liked to come to the gallery. They shared things like "I see things I have never seen before", "it makes me look at things differently", or "the paintings are so beautiful and they make me happy". I think that all ages can share these young visitors' experiences in seeing artwork. During the holiday season and throughout the coming year, I encourage you to visit the Rogue Gallery and allow your inner child to explore, learn, or just enjoy the art.

Warmest wishes,
