## 2021 Main Gallery Exhibition Series Call for Artists

### About Us

Rogue Gallery & Art Center is a non-profit visual art center located in Southern Oregon. Established in 1960, the gallery has provided visual art to the community for over five decades. Located in historic downtown Medford, the art center houses a studio classroom and three display spaces.

### About Our Space

The Rogue Gallery & Art Center Main Gallery is one of the region's premier exhibit venues. It is approximately 42x 43 feet in size (1344 square feet), it features track lighting and various sized pedestals are available.

### What We Show

The Main Gallery is reserved for exhibitions of the highest quality art by emerging, mid-career, and established artists from the region and beyond. We focus on exhibiting recently created work of various media and styles. The exhibition schedule features a diverse mix of shows throughout the year including artist groups, themed, guest curated, and solo exhibits. We exhibit current work, created within the last **FIVE** years that has not been exhibited at the Rogue Gallery before.

Artist groups such as artists' collectives, media specific, and art faculty may submit a group show proposal for consideration. Rogue Gallery also creates group exhibits, bringing together individual artists who were selected through the jury process and grouping them together based on a shared media, theme, or style. Combining individual artists allows more artists to exhibit in the Main Gallery and creates more varied exhibits, and reduces the amount of work required from each artist. Filling the entire Main Gallery requires a lot of pieces and is more appropriate for late career artists. The exhibition committee rarely chooses a Main Gallery solo artist exhibit.

### The Selection Process

Submissions are reviewed from digital jpeg images of art and referenced by an inventory list. Submissions are also evaluated on the exhibition description and artist's statement. Please refer to the submission guidelines below. **All** items on the **Procedures for Submission** list *must* be submitted. The blind jury selection takes place once a year with submission selections being determined by the Rogue Gallery jury comprised of a volunteer group of artists, art educators, and arts professionals. It is expected that the work that is juried by the committee be that which will be displayed. However, in some cases work in similar media or style may be substituted with permission from the gallery coordinator.

### If Your Work is Selected

As a non-profit community art center, our exhibition program is professionally run on a very modest budget. Rogue Gallery will design, print, and mail exhibition announcements; install and take down all art (unless the work requires special assistance by the artist); host an opening reception; insure art while on the premises; and receive a 40% commission from the sale of work. It is the responsibility of the artist to deliver and pick up their work to and from the Rogue Gallery.

## Main Gallery Submission Guidelines List

The **submission deadline** is **January 15, 2020**. A **\$25 processing fee** is required for non-members. Current Rogue Gallery members are exempt from this fee. To become a Rogue Gallery member, please visit our website at [www.roguegallery.org](http://www.roguegallery.org) .
